

Process execution

The screenshot shows the 'Service Request Process' form in the KONECT ERP system. The form is titled 'Service Request Process' and is located under the 'AMC Service Request' tab. It contains the following fields and controls:

- Days due:** A text input field with a calendar icon on the right.
- Document Type:** A dropdown menu with a red border and a downward arrow on the right.
- Run as Job:** A checkbox labeled 'Run as Job'.
- Saved Parameters:** A section at the bottom with a dropdown menu, a save icon, and a delete icon.
- Buttons:** 'OK' and 'Cancel' buttons at the bottom right.

The top navigation bar includes the KONECT ERP logo, a search bar, and user information: Venkatesh.E@Sandbox.Manufacturing DiscreteKonekt Demo Instance Admin. The top right corner has links for Feedback, Profile, Preference, Change Role, and Log Out.

Selection field

- 1) Document type - User can select the document type
- 2) Days due - User can mention the due days in this field

Action

- 1) while the user execute the start parameter button - AMC service request will be raised
