

# Process execution

The screenshot shows the 'Service Request Process' form in the KONECT ERP system. The form is titled 'Service Request Process' and is located in the 'AMC Service Request' section. It contains the following fields and controls:

- Days due:** A text input field with a blue border and a calendar icon on the right.
- Document Type:** A dropdown menu with a red border and a downward arrow on the right.
- Run as Job:** A checkbox with the label 'Run as Job'.
- Saved Parameters:** A section at the bottom left with a dropdown menu and two icons (a document and a trash can).
- Buttons:** 'OK' and 'Cancel' buttons at the bottom right.

## Selection field

- 1) Document type - User can select the document type
- 2) Days due - User can mention the due days in this field

## Action

- 1) while the user execute the start parameter button - AMC service request will be raised
