

Process - BOM Drop

The screenshot shows a web application titled 'BOM Drop'. At the top, there is a navigation bar with 'Home (34)' and 'BOM Drop' (with a close icon). Below the navigation bar, the main content area is divided into two sections. The first section, labeled 'Selection', contains four dropdown menus: 'Product', 'Order', 'Invoice', and 'Project'. To the right of these dropdowns is a 'Quantity' input field with the value '1.0'. The second section, labeled 'Select Product', is a large empty area. In the bottom right corner of this section, there are two buttons: a green checkmark button and a red 'X' button.

Product : user have to select the product

order user have to select the order.

invoice : user have to select the invoice.

project : User have to select the project here.

while the user click the "ok' based on the criteria mentioned above BOM will drop
