Consignment return header

The screenshot shows the SAP Consignment Return header form. The top bar includes a breadcrumb 'Home (196)' and a title 'Consignment Return: 1000026'. The form is divided into two main sections. The left section contains fields for 'Client' (Sandbox), 'Document No' (1000026), 'Document Type' (CReturn), 'Description' (empty), 'Customer Warehouse' (BLMH), 'User/Contact' (Logesh D), and 'Document Status' (Completed). Below these is a 'DocumentAction' button. The right section contains fields for 'Organization' (Manufacturing Discrete), 'Sales Transaction' (checked), 'Consignment Return Request' (1000019_BLMH), 'Transaction Date' (22/01/2024), and 'Account Date' (22/01/2024). At the bottom right, there are checkboxes for 'Approved' (checked), 'Processed' (checked), 'Approved Level 1' (unchecked), and 'Approved Level 2' (unchecked). The form has a standard SAP toolbar at the top with various icons for navigation and actions.

Critical Fields:

- 1) Consignment Return request : Consignment return request document no needs to be mentioned
- 2) Transaction date : The Transaction Date indicates the date of the transaction.
- 3) Account Date : The Accounting Date indicates the date to be used on the General Ledger account entries generated from this document. It is also used for any currency conversion.
- 4) User/contact : The User identifies a unique user in the system. This could be an internal user or a business partner contact

Critical & one-time setup fields:

- 1) Organization: This field is used to select the organization

2) Target Document Type- This Field is used to select the type of document that you are going to process

Non-Critical Fields:

1) Description : Optional short description of the record.
