Tab

Employee Category

The screenshot shows the 'Employee Category' form in the Konnect Analytics application. The interface includes a top navigation bar with the 'KONNECT ANALYTICS' logo, a search bar containing 'employee c', and user information for 'Prasanth P@Konnect Demo*/Konnect Demo Admin'. Below the navigation bar, there are tabs for 'Home (7)', 'Summary', and 'Employee Category: Staff'. The main form area is titled 'Employee Category' and contains the following fields: 'Client' (set to 'Konnect Demo'), 'Organization' (a dropdown menu), 'Name' (containing 'Staff'), 'Description' (an empty text area), and an 'Active' checkbox which is checked. A 'Data requested' label is visible above the form fields. The left sidebar shows 'Favourites' and 'Recent Items' sections.

Critical Fields

1. Name : Used to create the employee category name. The name of an entity (record) is used as a default search option in addition to the search key. The name is up to 60 characters in length.
