Process

The screenshot shows the 'Generate Financial Report' process in the KONECT ERP system. The interface includes a top navigation bar with the KONECT ERP logo, a search bar containing 'Generate Financial', and user information: Venkatesh.E@Sandbox.Manufacturing.DiscreteKonekt.Demo.Instance.Admin. Below the navigation bar, there's a breadcrumb trail: Home (34) > Generate Financial Report. The main content area is titled 'Do you want to start the Process?'. It contains two input fields: 'Name' (with a red asterisk indicating it's required) and 'Account Element'. Below these fields are two checkboxes: 'Overwrite Existing?' and 'Run as Job'. At the bottom left, there's a 'Saved Parameters' section with a dropdown menu and two icons (a save icon and a trash icon). At the bottom right, there are two buttons: 'OK' (with a green checkmark icon) and 'Cancel' (with a red X icon).

Name: User have to mention the name here.

Account element: User have to mention the account element here.

while the user click on the "ok" button will generate the finance report.
