

Process

- Inventory move process
- Move Line process

Inventory move process

The screenshot displays the Konekt ERP interface for the 'Inventory Move' process. The top navigation bar includes the Konekt ERP logo, a search bar with 'simple prod', and user information: 'Logesh D@Konekt Demo.Manufacturing Discrete/Konekt Demo Instance Admin'. The main header shows the current page as 'Inventory Move: 610457' with a search icon. The left sidebar contains a 'Move' section with a 'Data requested' tab. The main content area is a form for 'Inventory Move: 610457'. The form is divided into two main sections: 'Move' and 'Delivery'. The 'Move' section includes fields for 'Client' (Konekt Demo), 'Document No' (610457), 'Description' (Created from Konekt Validation Document, subcontract issue Document no: 10), 'Movement Date' (08/08/2023), 'Locator', 'Organization' (Manufacturing Discrete), 'Sales Representative', 'Document Type' (Material Movement), and 'Locator To'. The 'Delivery' section includes fields for 'Business Partner' (AB Engineering), 'Partner Location', 'Shipper', 'User/Contact', 'Delivery Via', 'Delivery Rule', 'Priority', 'Freight Cost Rule', 'Eway bill Sub-Transaction Type' (For Own Use), 'Shipment_BillNo', 'In Transit' checkbox, 'Vehicle Type' (Regular), 'Date received', and 'Vessel / Flight No.'. A context menu is open over the 'Inventory Move: 610457' tab, showing options: 'ASI Scan', 'Post E-Invoice', 'ImportSerialNo', 'Copy From Stock Statement', and 'Document Action'.

- 1) ASI Scan - Its help to scan multiple serial numbers and it will populate concurrent serial numbers in Attribute tab
- 2) Post E-invoice - It is used to generate E-invoice based on Inventory move

Move Line process

The screenshot displays the 'Move Line' process in the KONECT ERP system. The interface includes a top navigation bar with the KONECT ERP logo, a search bar containing 'simple prod', and user information for 'Logesh D@Kconnect Demo.Manufacturing Discrete/Kconnect Demo Instance Admin'. Below the navigation bar, there are tabs for 'Home (98)', 'Summary', and 'Inventory Move: 610457 Raw...'. A toolbar with various icons is located below the tabs. The main content area is titled 'Move > Move Line' and contains a form with the following fields:
