

# Move Line process

The screenshot displays the 'Move Line' process in the KONECT ERP system. The interface includes a top navigation bar with the KONECT ERP logo, a search bar, and user information. Below the navigation bar, there are tabs for 'Home (98)', 'Summary', and 'Inventory Move: 610457 Raw...'. The main content area is titled 'Move > Move Line' and contains a form for entering move line details. The form is organized into several sections: 'Client' (Konekt Demo), 'Organization' (Manufacturing Discrete), 'Line' (10), 'Inventory Move' (1001497\_610457), 'Description', 'Search Key' (Raw material 2), 'Product' (Raw material 2-Raw material 2), 'Movement Quantity' (25), 'Attribute Set Instance', 'Attribute Set Instance To', 'Locator' (1000005), 'Locator To' (1000007), 'Quantity book' (975), and 'On Hand Quantity' (0). A 'Quantities' section is also present, showing 'Target Quantity' (0), 'Price', 'Tax', 'Scrapped Quantity' (0), 'Confirmed Quantity' (0), and 'Reversal Line'. A 'Generate Lot Number' button is visible in the top right corner of the form area.
