

Maintenance Job

The screenshot shows a software interface for a 'Maintenance Job'. At the top, there is a navigation bar with tabs: 'Home (96)', 'Summary', 'Maintenance Cycle: VMC Mach...', and 'Maintenance Job: VMC Machine'. Below the navigation bar is a toolbar with various icons for actions like save, delete, search, and print. The main form area is titled 'Maintenance Job' and contains several input fields. On the left, there are fields for 'Client' (Konnect Demo), 'Asset Maintenance' (VMC Machine PM_Drilling Machine 1_Drilling Machine 1), 'Name' (VMC Machine), and 'Description'. On the right, there are fields for 'Organization' (Manufacturing SPM), a 'Default' checkbox, and 'Charge' (Expense).

Client	Konnect Demo	Organization	Manufacturing SPM
Asset Maintenance	VMC Machine PM_Drilling Machine 1_Drilling Machine 1	<input type="checkbox"/> Default	
Name	VMC Machine	Charge	Expense
