Material Indent

The screenshot displays the 'Material Indent' form in the Konnect ERP - Demo application. The browser address bar shows 'https://erpdemo.konnect-analytics.com/webui/'. The form is titled 'Material Indent: 800176' and includes a search bar with 'material ind'. The form fields are organized into two columns. The left column contains: Client (Konnect Demo), Document No (800176), Manufacturing Order (1000006), Description, Document Type (Material Indent), Date Required (05/03/2020), User/Contact (harishprabu.g), and Document Status (Completed). The right column contains: Organization (Manufacturing Discrete), Indent Type (Manufacturing Order Issue), Account Date (05/03/2020), Warehouse (Standard), and Currency (INR). Below these fields are buttons for 'Document Action', 'Posted', 'Create lines from', and 'Set Requesting Warehouse'. There are also checkboxes for 'Approved' and 'Delivered'. At the bottom, there is a 'Reference' section with fields for Request Type (Sales Lead), Target Document Type (Material Indent), Project, and Campaign. An 'Activate Windows' watermark is visible in the bottom right corner.
