# Cancel Payment Request

The screenshot shows a software interface for configuring a process. At the top, there is a navigation bar with a 'Home' button and a tab labeled 'Cancel Payment Request'. Below the navigation bar, the main area contains the following elements:

- A heading: "Do you want to start the Process?"
- A dropdown menu labeled "Payment Request" with the value "1000000\_Harish Demo" selected.
- A checkbox labeled "Run as Job" which is currently unchecked.
- A "Saved Parameters" section at the bottom left, consisting of a dropdown menu and two icons (a document and a trash can).
- Two buttons at the bottom right: a green "Start" button and a red "Cancel" button.

## Selection Field :

1. Payment Request : Used to select the payment request document from the payment request window.

## Process Use :

1. This Process Is Used to cancel the Payment Request document from the transaction window.
