

Inventory count list

The screenshot shows the KONECT ERP interface for 'Physical Inventory: 620152'. The background window displays fields for Document No (620152), Warehouse (Ambad VHS), Movement Date (11/08/2023), and Document Status (Drafted). A modal dialog box titled 'Create Inventory Count List' is open in the center. The dialog contains the following fields and options:

- Locator:** A text field with a dropdown arrow.
- Locator Key:** A text field containing '%'. Below it is a 'Product Key' field also containing '%'.
- Product Category:** A dropdown menu.
- Inventory Quantity:** A dropdown menu set to 'not 0'.
- Set Inventory Count to:** A dropdown menu set to 'On Hand Qty'.
- ☐ Delete old/existing records
- ☐ Run as Job
- Saved Parameters:** A dropdown menu with save and delete icons.
- Buttons:** 'OK' and 'Cancel' at the bottom right.

The background window also shows a 'Data requested' section and a 'Status' section with checkboxes for 'Approved', 'Approved Level 1', and 'Approved Level 2'.

Inventory count list - This process helps to set Inventory count to zero by using product category field
