

# Accounting

The screenshot displays the KONECT ANALYTICS web application interface. The top navigation bar includes the logo, a search bar, and user information (Prasanth P@Kconnect Demo, \*Kconnect Demo Admin). The main content area is titled "Product: 1000000 Copper Pipes" and shows the "Accounting" sub-tab. The interface includes a sidebar with "Favourites" and "Recent Items" sections. The main content area displays a form for accounting information, including fields for Client, Product, Accounting Schema, and Organization. Below these fields, there is a table of accounts with columns for account name and account number. The table is organized into two main sections: "Product Asset" and "Product Expense".

Account Name	Account Number
Product Asset	*.113100000-_-_-_-
