

# Specification

The screenshot shows the 'Product Specification' form in the Konnect Analytics application. The interface includes a top navigation bar with the 'product' search bar and user information. A left sidebar contains 'Favourites' and 'Recent Items' sections. The main content area displays the 'Product: 1000000 Copper Pipes' specification form. The form is divided into two columns. The left column contains fields for 'Client' (Konnect Demo), 'Product' (1000000\_Copper Pipes), 'Weight' (10,000.0), 'Length' (10), 'Width' (2), and 'Volume'. The right column contains fields for 'Organization' (marked with an asterisk), 'Product Brand/Classification/Manufacturer', and three dropdown menus for 'UOM for Weight' (Grams), 'UOM for Length' (Meter), and 'UOM for Width' (Meter). A 'UOM for Volume' dropdown is also present at the bottom right. A 'Record saved' message is visible at the top left of the form area.
