Execution

The screenshot shows the 'KONNECT ANALYTICS' web application. The top navigation bar includes a search bar with 'calib' and a user profile icon. The main header displays the user 'dineshraj.s@Kconnect Demo.*Kconnect Demo Admin' with links for Feedback, Profile, Preference, Change Role, and Log Out. The breadcrumb trail shows 'Home (23) > Summary > Quality Control plan'. The main content area asks 'Do you want to start the Process?' and contains three input fields: 'Organization' (a dropdown menu), 'Classification' (a text input), and 'Product' (a dropdown menu with a refresh icon). Below these is a checkbox labeled 'Run as Job'. At the bottom, there are buttons for 'View Report', 'Print Format', and 'Summary', along with a 'Saved Parameters' dropdown and two file icons. An 'Activate Windows' watermark is visible in the bottom right corner.
