Execution

The screenshot shows the 'Execution' page in the Konnect Analytics application. The page title is 'Quality Control plan'. The main heading is 'Do you want to start the Process?'. Below this, there are three input fields: 'Organization' (a dropdown menu), 'Classification' (a text input field), and 'Product' (a dropdown menu with a refresh icon). A checkbox labeled 'Run as Job' is located below these fields. At the bottom of the page, there are controls for 'View Report' (a dropdown menu), 'Print Format' (a dropdown menu), and 'Summary' (a checkbox). There is also a 'Saved Parameters' section with a dropdown menu and two icons (a folder and a trash can). The top navigation bar includes the Konnect Analytics logo, a search bar with 'calib' entered, and user information: 'dineshraj.s@Konnect Demo.*Konnect Demo Admin'. The top right corner has links for 'Feedback', 'Profile', 'Preference', 'Change Role', and 'Log Out'. An 'Activate Windows' watermark is visible in the bottom right corner.
