

Actions

The screenshot shows the 'Process' dialog box in the KONNECT ANALYTICS application. The dialog box is titled 'Process' and contains the following elements:

- Document Type: Manufacturing
- Order: 80653_Fabric
- Operation: Inspec
- Resource: Resourc
- Buttons: Clear, Refresh

Select	Mfg Order	Operation Name	Cost collector	Resource	Product	Quality plan	Movement Qty	SampleQty
<input type="checkbox"/>	80653	Inspection	82390	Inspection Fab	Printing Board	Visual Inspection	5.00	

At the bottom of the dialog box, there are two buttons: a green checkmark button and a red X button. Below the dialog box, there is a 'Document Action' button.

Verify

Create lines from
