

Quality Ranges Header

The screenshot shows a web application interface for 'Quality Ranges'. At the top, there is a navigation bar with 'Home (3)' and '*Quality Ranges' tabs. Below this is a toolbar with various icons for actions like save, delete, search, and refresh. The main form area is titled 'Quality Ranges' and contains several input fields: 'Client' (pre-filled with 'XYZ Foundation'), 'Organization' (a dropdown menu), 'Name' (an empty text box), and 'Description' (a larger text area). Below the form is a 'Values' section with a table header containing 'From Value', 'To Value', and 'Target Value'. The table currently shows '0 Records' and 'No Records found'.

Critical Fields

1. Organization: This Field is used to select the organization
2. Name: Used to mention the Quality Range name. The name is up to 60 characters in length.

Non-Critical Fields

1. Description: To note or describe any specifics about Quality ranges or any other important Info.
