Custom fields

The screenshot shows a web-based configuration interface for 'Custom Fields'. At the top, there is a breadcrumb trail 'Quotation > Custom Fields' and a dropdown arrow. Below this, the word 'Inserted' is visible. The main configuration area contains three fields: 'Sequence' with a text input containing '10' and a small icon; 'Custom Columns' with a dropdown menu; and 'Value Column' with a large, empty text area. The interface has a light gray background and a clean, modern design.

Critical Fields :

- 1.Sequence : Method of ordering records (lowest number come first)
- 2.Custom columns: Additional field used for reporting purpose
