Requisition Header

The screenshot shows a web application interface for a Requisition Header. At the top, there is a navigation bar with tabs: 'Home (40)', 'Summary', and '*Requisition *'. Below the navigation bar is a toolbar with various icons. The main form area is titled 'Requisition' and contains several fields and sections. The 'Client' field is set to 'Kconnect Demo'. The 'Organization' field is empty. The 'Document No' field is empty. The 'Manufacturing Order' field is empty. The 'Document Type' field is empty. The 'User/Contact' field is empty. The 'Description' field is empty. The 'Comment/Help' field is empty. The 'Priority' field is set to 'Medium'. The 'Material Indent Line' field is empty. The 'Date Required' field is empty. The 'Document Date' field is set to '19/06/2023'. The 'Warehouse' field is empty. The 'Project' field is empty. Below the main form area, there is a section with the following fields: 'Warehouse' (empty), 'Price List' (set to 'Sales Price List'), 'Total Lines' (set to '0.00'), 'Document Status' (set to 'Drafted'), and 'Document Action' (a button). To the right of this section, there is a 'Project' field (empty) and a 'Create lines from' button. Below the 'Create lines from' button, there are four checkboxes: 'Approved', 'Processed', 'Approved Level 1', and 'Approved Level 2'. All checkboxes are currently unchecked.
