# RFQ Topic Header

The screenshot shows a web application interface for managing RFQ Topics. At the top, there is a navigation bar with tabs: 'Home (63)', 'Summary', and '\*RFQ Topic \*'. Below the navigation bar is a toolbar with various icons for actions like create, edit, delete, search, and print. The main form area is titled 'Topic' and contains the following fields:

- Client**: A text field with the value 'Konnect Demo'.
- Organization**: A dropdown menu with the value '1'.
- Name**: A text field with a red border, indicating it is a required field.
- Description**: A text area.
- Active**: A checkbox that is checked.
- Self-Service**: A checkbox that is unchecked.
- Print Format**: A dropdown menu.

Below the form, there is a section for 'Subscriber' with a 'Restriction' tab. It shows a table with 0 records. The table headers are: RFQ Topic, Business Partner, Partner Location, User/Contact, Active, Subscribe Date, and Opt-out Date. The message 'No Records found' is displayed below the table.

## Critical Fields

1. Organization: This field is used to select the organization
2. Name: RFQ Topic name For Example RFQ-Automobile Parts, RFQ-RAW Material, RFQ-Ploymers, RFQ-Textile industries, RFQ-Food industries Etc.

## Non-Critical Fields

1. Description: To describe specifics about RFQ topic or notes.
2. Print Format: It is a master data and used to assign print format to RFQ topic
