# RFQ Topic Header

The screenshot shows a web application interface for managing RFQ topics. At the top, there is a navigation bar with tabs: 'Home (63)', 'Summary', and '\*RFQ Topic \*'. Below the navigation bar is a toolbar with various icons for actions like create, edit, delete, search, and print. The main form area is titled 'Topic' and contains several fields: 'Client' (a dropdown menu with 'Konnect Demo' selected), 'Organization' (a dropdown menu with '1' selected), 'Name' (a text input field with a red border), 'Description' (a text input field), 'Active' (a checked checkbox), 'Self-Service' (an unchecked checkbox), and 'Print Format' (a dropdown menu). Below the form, there is a table with columns: 'RFQ Topic', 'Business Partner', 'Partner Location', 'User/Contact', 'Active', 'Subscribe Date', and 'Opt-out Date'. The table is currently empty, with a message 'No Records found' displayed below it.
