

# Payment schedule

The screenshot shows a web form for creating a payment schedule. It includes input fields for Client (XYZ Foundation), Organization (HQ), Order (20010\_25/06/2019), and Payment Schedule (a dropdown menu). There is a Description field, a Due Date field with a calendar icon, a Discount Date field with a calendar icon, a Validate button, and checkboxes for Active and Valid. The Amount due and Discount Amount fields show 0.00 with currency icons.

Client	XYZ Foundation	Organization	HQ
Order	20010_25/06/2019	Payment Schedule	
Description			
Due Date		Amount due	0.00
Discount Date		Discount Amount	0.00
Validate		<input type="checkbox"/> Valid	
<input checked="" type="checkbox"/> Active			

## Critical Fields:

1. Payment Schedule: To update the schedule details
  2. Due Date: The date when the payment is due
  3. Discount Date: Once the discount date is exceeded system does not consider the discount amount
  4. Amount Due: Amount of the payment due
  5. Discount Amount: To update the discount amount details
- 

## Critical & one-time setup fields:

---

## Non-Critical Fields:

---

## **Zoom conditions:**

---

## **Validation:**

System check total value and payment schedule value

---
