

# AMC Service Request

The screenshot shows a software window titled "AMC Service Request" with a tabbed interface. The active tab is "AMC Service Request". Below the title bar, the text "Service Request Process" is displayed. The main area contains the following controls:

- A "Days due" text input field with a calendar icon on the right.
- A "Document Type" dropdown menu currently showing "Konnect Service Management".
- A checkbox labeled "Run as Job" which is currently unchecked.

At the bottom of the window, there is a "Saved Parameters" section with a dropdown menu, a save icon, and a trash icon. On the far right, there are "OK" and "Cancel" buttons.

## **Process Use :**

This process is used to create a service request from the AMC.

## **Parameters :**

1. Days Due : Used to select the Due date
2. Document Type : Used to select the document type
