

Header Process

The screenshot shows the 'Service Product' header process form in SAP. The form is divided into two main sections: 'Data required' on the left and 'Data optional' on the right. The 'Data required' section includes fields for Client (Konnect Demo), Invoice (0043_23/07/2023_5000.0), Invoice Partner (10000013-Tech equipment), Business Partner, Name, Product (Component-2_Component-2), Attribute Set Instance, Maintenance Meter, Price List (Sales Price List), and Currency (INR). The 'Data optional' section includes fields for Organization (Manufacturing Discrete), Shipment/Receipt Line, Business Partner (Tech equipment), Consumer, Project, Project Phase, Project Task, Start No (100), and Currentno (0.0). There are also checkboxes for 'Product Installation Required'.
