

Form Execution

The screenshot shows a web browser window with the URL <https://erpdemo.konnect-analytics.com/webui/>. The application is titled 'Konnect ERP - Demo'. The main header bar includes a search bar with 'store issue' and a user profile dropdown showing 'dineshraj.s@Konnect Demo.*Konnect Demo Admin'. The navigation bar has tabs for 'Home (23)', 'Summary', and 'Store Issue'. The 'Store Issue' tab is active, showing a 'Ship/Receipt Confirmation' form. The form has a 'Generate' button and several input fields:
