

Document Mapping

The screenshot shows a web application interface for 'Tally Integration Master'. The browser tab is 'Tally Integration Master; P...'. The breadcrumb navigation is 'Tally Integration Master > Tally Document Mapping'. The form contains the following fields:

- Client**: Text box with value 'Sandbox'
- Organization**: Text box with value 'Manufacturing Discrete'
- KA Tally Config ID**: Text box with value '1000003'
- Name**: Text box with value 'Purchase'
- Document Type**: Dropdown menu with value 'AP Invoice'
- Active**: Check box, checked, with label 'Active'

Critical Fields:

- 1) Name - It is used to mention the type of entries ex - Purchase,sales etc.,
- 2) Document type - Based on selected document type XML file will be exported in tally XML generation window.
