# TDS Category

The screenshot shows a web application interface for managing TDS Categories. At the top, there are tabs for 'Home (54)', 'Summary', and 'TDS Category: TDS 1 x'. Below the tabs is a toolbar with various icons for actions like adding, deleting, and searching. The main form is titled 'TDS Category' and includes a 'Data requeried' section. The form has four input fields: 'Client' (with the value 'Konnect Demo'), 'Organization' (with a dropdown arrow), 'Name' (with the value 'TDS 1'), and 'Description' (empty). At the bottom, there are two checkboxes: 'Default' (unchecked) and 'Active' (checked).
