Introduction

Introduction

Overview

1. Warranty Reasons are used to mention in the warranty details.
 2. These Warranty Reasons are used to the Warranty Purposes.
-

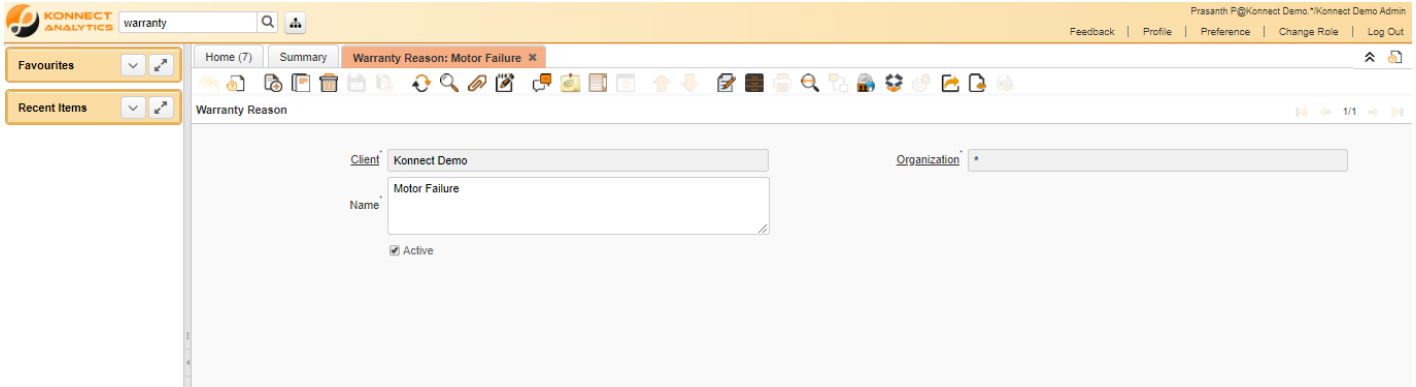

Business Case

1. In a company there are multiple warranty reasons are used for the product services.(Ex :
Motor Issue)

Tab

Tab

Warranty Reason

The screenshot shows the 'Warranty Reason' form in the Konnect Analytics application. The interface includes a top navigation bar with the 'KONNECT ANALYTICS' logo, a search bar, and user information. A sidebar on the left contains 'Favourites' and 'Recent Items' sections. The main content area displays the 'Warranty Reason: Motor Failure' form. The form has a 'Client' field set to 'Konnect Demo', an 'Organization' dropdown menu, and a 'Name' text field containing 'Motor Failure'. There is also an 'Active' checkbox which is checked. The bottom of the form shows a vertical scrollbar.

Critical Fields:

1. Name : It is used to create the warranty reason name. The name of an entity (record) is used as a default search option in addition to the search key. The name is up to 60 characters in length.

Critical & onetime setup fields:

1. Organization Field- This Field is used to select the organization which you are going to process the document.
